

## About Us

Last Updated Wednesday, 01 September 2010

Cyprus Cosmetic Surgery - Cyprus General Surgery - Ophthalmic - Cyprus Dental treatments

In pursuit of our mission we've built our core values through mutual trust, confidentiality, unrivalled customer care, support and reliability. Our goal is to enhance our reputation through the ability to deliver to our customers expectations by providing clear and accurate information so informed decisions can be made.....&lsquo;With you every step of the way&rsquo;

We are established and reputable individuals - Helen Lambrou and Joanne Lythgoe with over 20 years of expertise in the travel and medical domain operating out of the resorts of Limassol and Paphos.

We have developed strong associations with certified doctors and surgeons with whom we can guarantee that all our customers, both men and women will receive commendable attention for their chosen medical procedures in Cyprus using private clinics licensed by the Ministry of Health.

We have taken the time to negotiate special partnerships with local service providers to present you the very best of what Cyprus has to offer.

Once you have collected your baggage and cleared customs you will be personally met by one of our coordinators who will be your primary support throughout your stay in Cyprus. They will accompany you to your chosen resort and accommodation and generally take care of your every need, accompanying you to all your scheduled appointments and consultations. We also provide you with a local mobile telephone to use completely free of charge so you to contact us at

all times giving you total peace of mind in a foreign country. Your well being will take precedence until your stay with us comes to an end and you leave Cyprus feeling totally relaxed and revitalised!

Through daily contact, including 24 hour telephone links and regular visits, you'll have first hand experience in how we operate. It is perfectly natural to feel apprehensive prior to a cosmetic procedure , general surgery or dentistry so we don't leave anything to chance and take the stress and guess work out enabling you to relax.

We put you first in everything that we do by supporting you every step of the way and looking after your every need. You can relax knowing that you are in the hands of the experts.
